Guarantee

For and in consideration of the Wholesaler supplying goods and services and extending credit to the Applicant listed above, the undersigned guarantor (herein called the "Guarantor"), and where more than one Guarantor, the terms shall apply to all Guarantors signing below, hereby Guarantees the prompt payment to the Wholesaler by the Applicant of any and all monies owing for all sales, services provided interest owing, collection costs or legal costs (all of which is herein referred to as the "Applicant's Liabilities"). If more than one Guarantor executes this Guarantee, then the provisions herein shall be read with all grammatical changes thereby rendered necessary so that each reference to the Guarantor shall be a reference to all Guarantors signing below and all Guarantors acknowledge and agree that their obligations to the Wholesaler are joint and several. The Wholesaler may grant extensions of time or other indulgences, take and give up securities, accept compromises, compositions, grant leases and discharges and otherwise deal with the Applicant and any Guarantor as the Wholesaler may see fit and may apply all monies received from the Applicant or any Guarantor upon such part or portion of the Applicant's liability as the Wholesaler thinks best, without prejudice to or in any way limiting or lessening the liability of the Guarantor under this Guarantee. The Wholesaler shall not be bound to exhaust its resources or remedies against the Applicant or any other party or securities it may hold, before entitled to payment from the guarantor until this Guarantee.

This Guarantee is a continuing Guarantee and applies to any and all past and present liabilities (if any) of the Applicant to the Wholesaler and shall be binding as a continuing Guarantee with the provision that any Guarantor may terminate his or her further liability for further indebtedness under the Guarantee by delivering to the Wholesaler a written notice that the Guarantor will no longer be responsible for any further liabilities of the Applicant commencing at the expiration of SEVEN (7) days after the delivery of that notice to the Wholesaler. Notwithstanding the delivery of any such notice, the Guarantor shall nonetheless remain fully liable for any and all the Applicant's Liabilities up to and including SEVEN (7) days after the delivery of the said notice. No change in the Name of the Applicant and no amalgamation of the Applicant with any other company nor any windup of the Application into another company shall in any way lessen or limit the liability of the Guarantor hereunder.

The Wholesaler shall never be required or obligated to enquire into the authority of powers of employees, agents or representatives of the Applicant which they purport to exercise in the course of purchasing product or services from the Wholesaler. If the Guarantor makes payment to the Wholesaler of any of the Applicant's Liabilities, that Guarantor shall not be entitled to claim repayment from the Applicant until ONE HUNDRED (100%) percent of the Applicant's Liabilities have been fully repaid to the Wholesaler. The Guarantor further covenants and agrees to indemnify and save harmless the Wholesaler of and from any claims, suits, liabilities or costs incurred arising out of any environmental damage caused by the delivery of fuels or other products by the Wholesaler to the Applicant's business premises or to places where the Applicant directs the Wholesaler to deliver such products.

THIS GUARANTEE MUST BE COMPLETED AND SIGNED IN FULL BEFORE CREDIT MAY BE GRANTED.
